WE PROVIDE ADVICE AND ARRANGE
TAILORED INSURANCE SOLUTIONS
FOR THE FOLLOWING ASSETS

HOME & CONTENTS

In our experience, most people need help understanding the essential terms of their policies, including elements like financial limits and exclusions. Only when they make a claim does this become apparent, and all too often, clients are left feeling disappointed and frustrated with their insurer as a result of the claims process.

Our personalised approach ensures that you fully comprehend how your policy will perform in the event of a loss.

JMD Ross Private Clients will arrange for a complimentary and confidential appraisal of your home and contents by an experienced risk manager from one of our insurers. The professional appraisal ensures correct valuations, which aids in avoiding underinsurance. A written report is subsequently provided to you, including a risk assessment of your current security arrangements and recommendations with the objective of mitigating risks.

We provide you with the following benefits:

EXTENDED REPLACEMENT COST

The full cost of rebuilding your home after a covered loss, even if it is greater than the sum insured.

CASH SETTLEMENT OPTION

You can choose to receive cash should you decide to not rebuild your home or replace your valuables in the event of a covered loss.

YOUR CHOICE OF CRAFTSMEN

Unlike most insurers, you choose your craftsman and contractors, ensuring integrity of workmanship and future value of your investments.

REPLACEMENT COST

No depreciation or deductions on contents.

ADDITIONAL LIVING EXPENSES

If your home is uninhabitable due to a covered loss, reasonable additional living expenses paid for up to three years, while your home is rebuilt.

WORLDWIDE COVER

Worldwide cover for accidental loss or damage while travelling or if your goods are in transit or storage.

LUXURY UNITS

We arrange protection from the exposure that body corporate insurance leaves.

A common misconception held by owners of luxury units is that the statutory insurance held by the body corporate provides adequate cover for their property. In fact, the body corporate policy only covers the building structure, not your contents or any alterations you make to your apartment.

FINE ART

Building a fine art collection takes years and, in many cases, generations. Yet we often find that collectors insure them under a basic, self-directed insurance provider. Should a loss occur, the amount received is invariably significantly less than the value of the lost or damaged item.

We provide you with the following benefits:

ITEMISED COVER

Market value of each piece is determined up front. You receive 100% of that amount with no depreciation.

CASH OPTION

You choose to take cash for item's insured value instead of repair.

WORLDWIDE COVER

Global cover provided.

YOUR CHOICE OF REPAIRER

You choose your repairer. This goes as far as opting for the finest craftsman regardless of location and, if required, can include the items being flown to the country of origin for expert repair.

LOSS IN MARKET VALUE COVER

If after damage your art suffers a loss in value, in addition to paying for the expert repair, cash for any resultant loss in value will be paid.

WINE COLLECTIONS

Like any valuable collection, your investment can take a lifetime to source and build, often at considerable expense, conversely it can be damaged or destroyed in minutes. We provide you with the following benefits:

COVER AGAINST ACCIDENTAL LOSS OR DAMAGE

Includes fire, theft and breakage.

SIMPLE ADMINISTRATION

No need for time-consuming inventories itemising each bottle. Only those valued over A\$1,000 need to be specified.

BOTTLES VALUED IN EXCESS OF A\$1,000

Can be specified on your policy and insured with no depreciation (excess may apply).

CASH OPTION

Replacement may not suit you, therefore you can elect to take cash for a covered loss up to the insured amount.

JEWELLERY & VALUABLE COLLECTIONS

Jewellery is an emotional gift. Pieces can transcend generations, acknowledge key milestones for you and your family memorialising significant times in your life. It's a precious investment worth protecting. It is important that valuable items be itemised to ensure appropriate cover. We provide you with the following benefits:

ITEMISED COVER

Market value determined up front ensuring payment of 100% value paid in the event of a covered loss.

WORLDWIDE COVER

Comfort knowing that your pieces have global cover.

CASH SETTLEMENT

For those pieces that are irreplaceable, you have the option to take cash up to the insured value.

CHOICE OF REPAIRER

You choose your repairer, even if this means returning them to the country of origin.

PAIRS, SETS AND PARTS COVER

Should one of a pair or set is lost or irreparably damaged, full replacement cost will be paid for entire pair or set.

IMMEDIATE COVER FOR NEW ACQUISITIONS

90 days of cover up to a value of 25% of existing schedule of itemised valuables.

LOSS OF MARKET VALUE COVER

You will receive cash should an itemised piece suffer damage after any resultant loss in value, after paying for cost of repairs.

WE LIKE TO CALL THEM PASSION ASSETS

Fine art, antiques, wine collections, jewellery and other collectibles are examples of valuables that require specialist protection.

Experience shows that many people choose to include their treasured collections in their basic home and contents insurance. However, these policies are manifestly deficient in terms of limits to claimable amounts and choice of specialist repairers.

LUXURY, RARE AND PERFORMANCE MOTOR VEHICLES

We arrange comprehensive cover for luxury and high performance motor vehicles, providing you with the following benefits:

AGREED OR MARKET VALUE

REPLACEMENT VEHICLE

In the event of a total loss within the first two years of your original ownership.

YOUR CHOICE OF REPAIRER

LIFETIME GUARANTEE ON REPAIRS

UP TO 75% OF FINANCE GAP

In the event of a total loss to discharge the loan.

UP TO \$20 MILLION COVER

For third party property damage including costs.

NO CLAIM BONUS GUARANTEE

NON-REGULAR DRIVER COVER

MULTI-VEHICLE DISCOUNTS

24/7 CLAIMS NOTIFICATION AND ADVICE
